

BURJ  
AL ARAB

*The Arabian experience,  
its influence and achievements,  
can all be found in  
this true reflection  
of a culture  
of hospitality.*

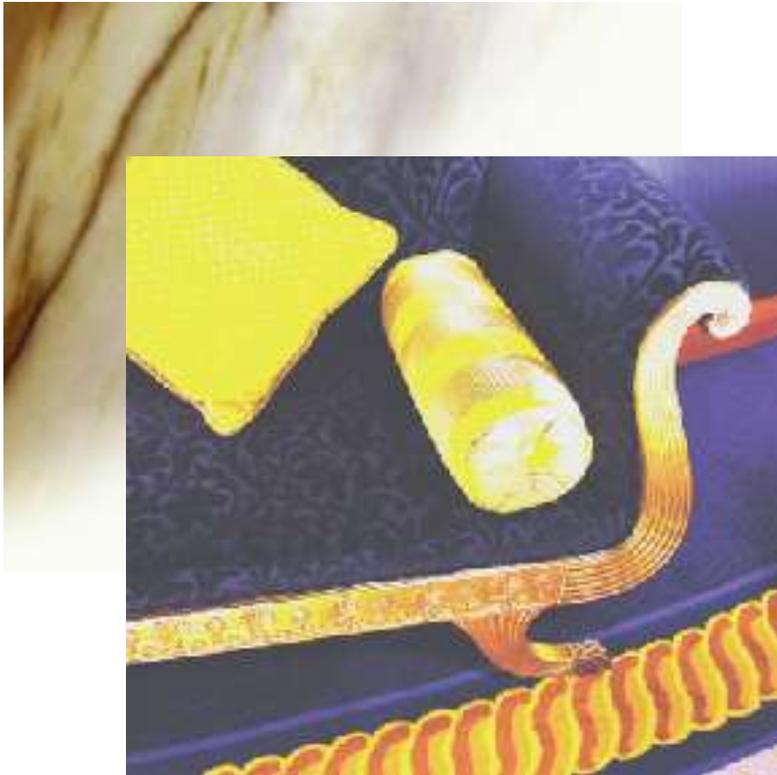

*Hospitality and comfort. Opulence and service.*

*All combine to form the inspiration behind this*

*dynamic symbol of excellence.*

*In all 202 suites of Burj Al Arab,  
Luxury is a word that defines not the  
objective but the point of departure for  
the services placed at the  
disposal of guests.*

*Dramatic expressions of the appreciation of quality inherent in Arab culture, and the desire to offer the utmost comfort to a guest are everywhere in evidence.*

*Bathed in the warmth of a traditional welcome,  
stylish interiors evoke the harmony  
of form and function inherent in the art of design.*

*Ingenuity, inspiration and originality combine  
to create environments of spectacular elegance-  
classic interpretations of an illustrious history.*

*Exquisite furnishings, luxurious fittings  
and a standard of a personal service exceeding the  
expectations of even the most discerning guest.*

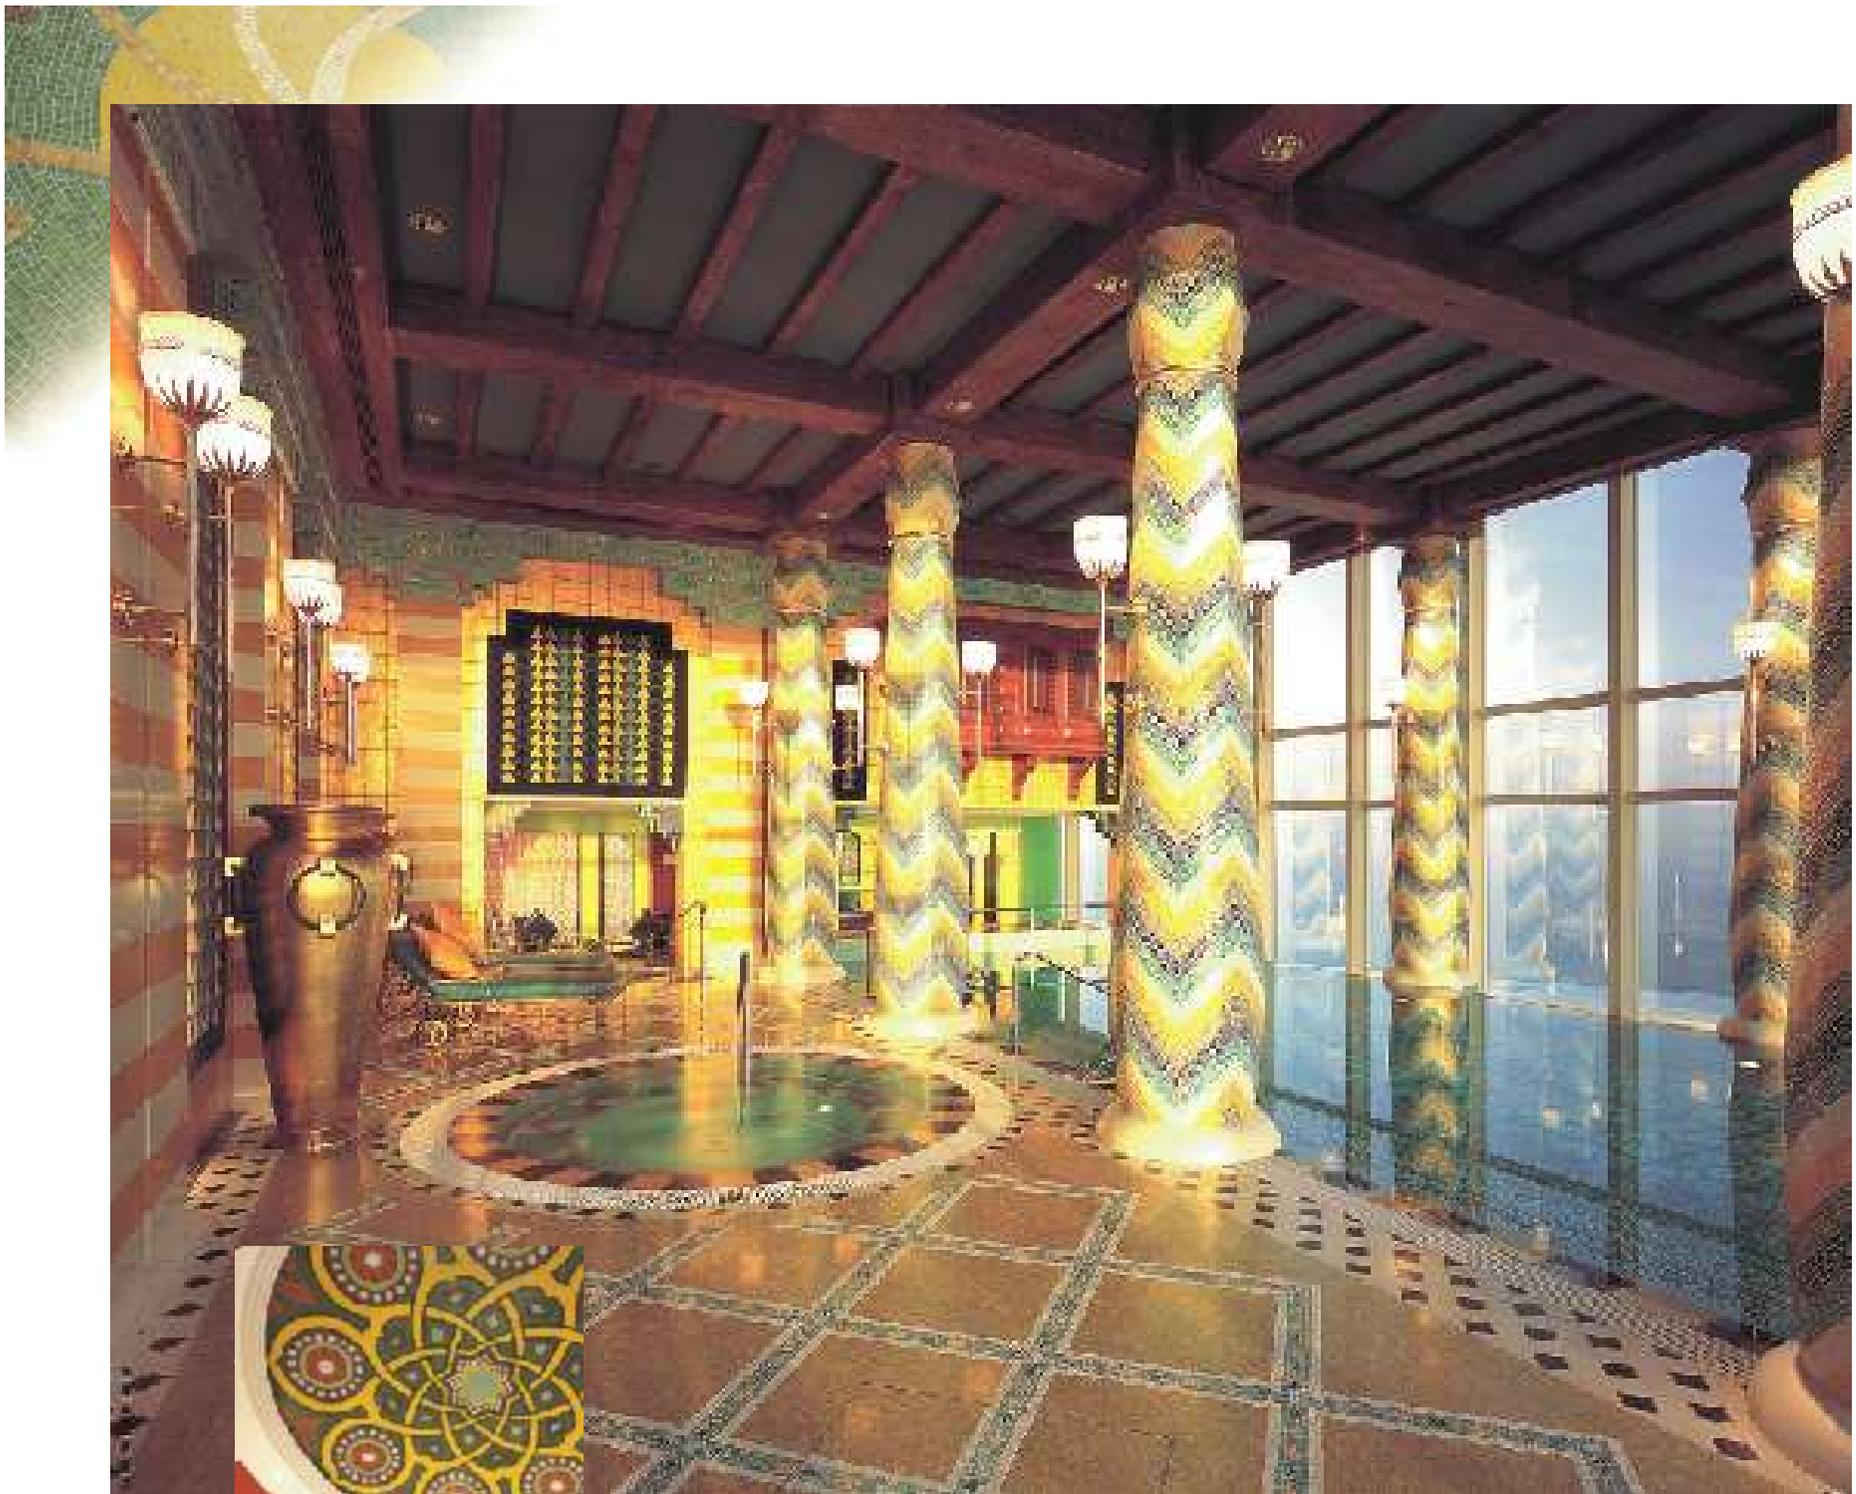

*The whole world became the source for the unique design, the lavish interiors and interactive multi-media systems in all suites of Burj Al Arab.*

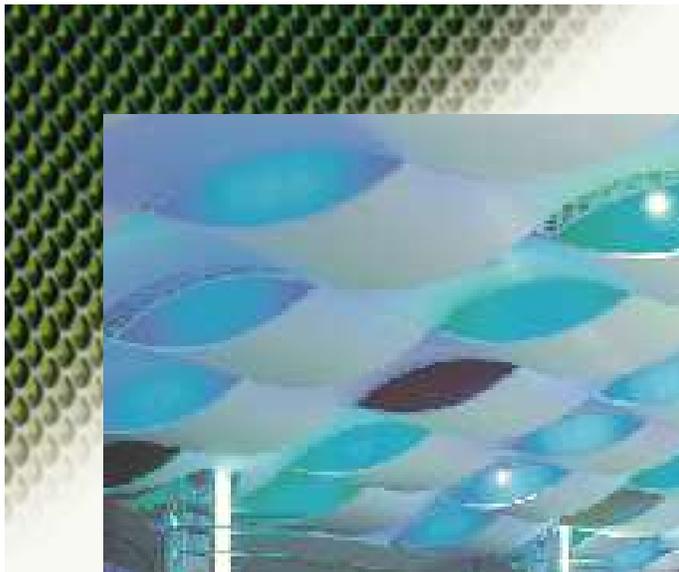

*Exclusive marble from Brazil. The finest linen from Ireland. The highest quality materials the world can offer ensure exceptional standards of hospitality.*

*Sumptuous health and fitness facilities blend with the extravagant splendour of ancient civilisations to provide a lavish environment for relaxation in the Assawan Spa.*

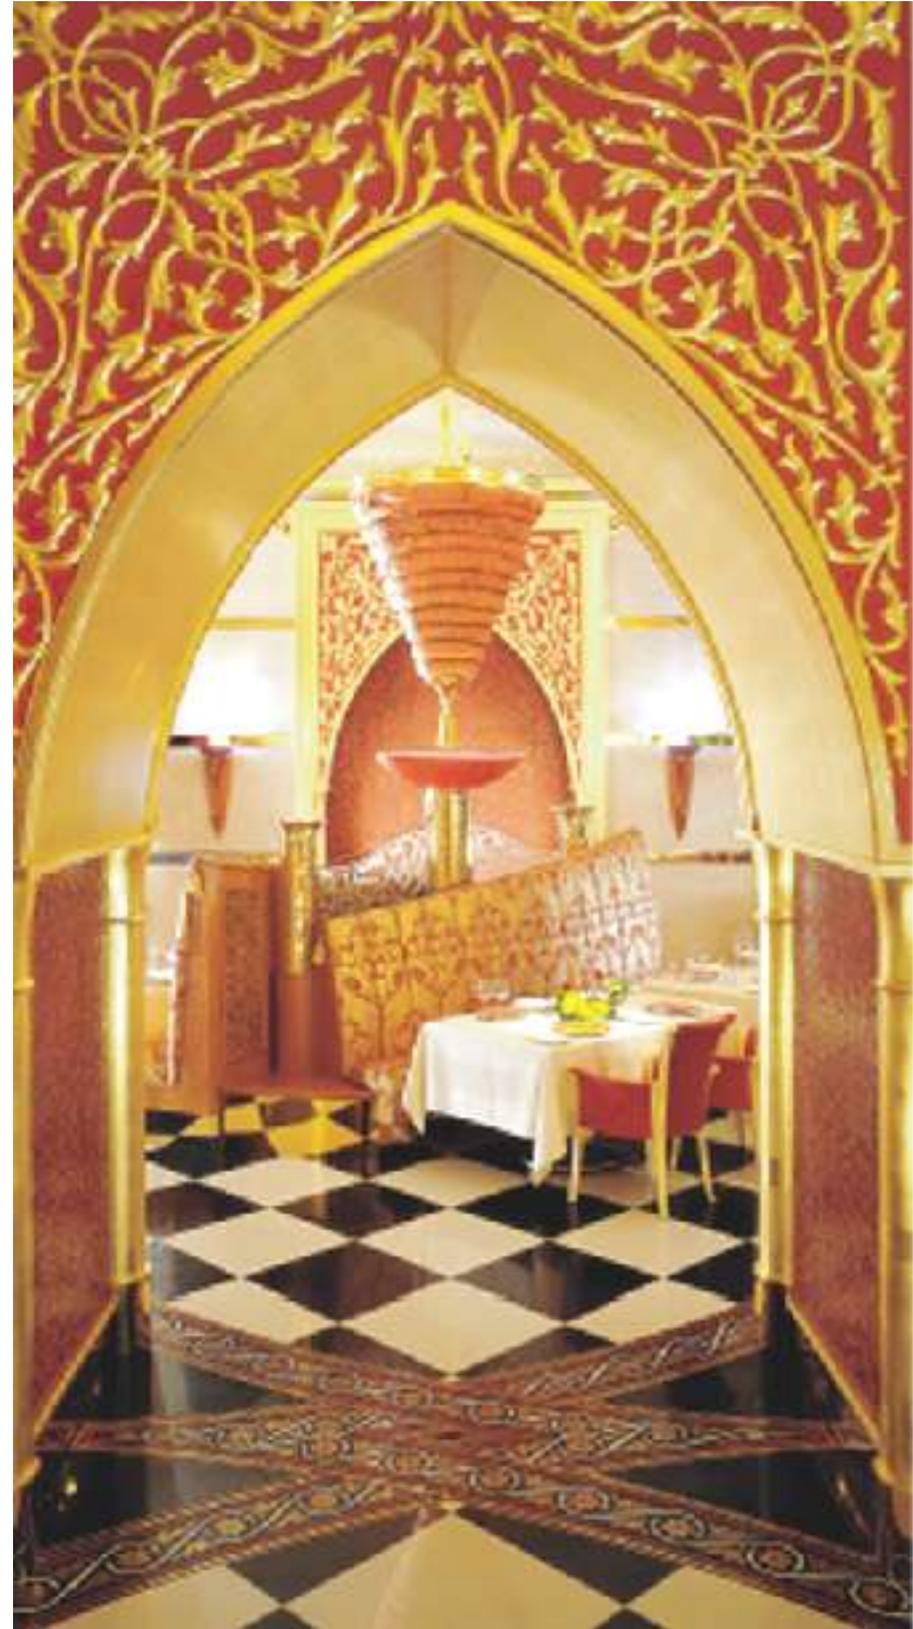

*Suspended high above the Arabian Gulf, offering an unrivalled panorama of sea, sky and shore, Al Muntaha provides an unforgettable dining experience.*

*In an informal yet magnificently lush setting,  
Al Iwan promises the welcoming atmosphere of  
traditional Arabian hospitality.*

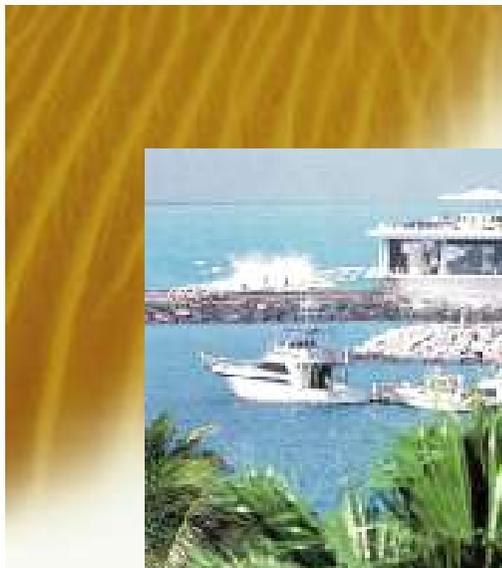

*In dramatic contrast, the views of tropical fish and  
coral reefs in the Al Mahara seafood restaurant begin  
with an undersea voyage.*

*Sumptuous decor and the dazzling splendour of a breathtaking setting recall the magnificence of a royal occasion.*

*Rising spectacularly out of the azure blue waters of the Arabian Gulf, Burj Al Arab presides majestically over the Jumeirah Beach Resort and the coastline of Dubai.*
