INNOVATIVE

English Learning Center

WELCOME TO INNOVATIVE ENGLISH LEARNING CENTER

Innovative English Learning Center is one of the leading institutions in Karachi that provides a comprehensive range of English Language, Professional and Executive Development Programs.

The institution understands well the need to ensure that all programs are current and offers state of the art education and skilled training to both the students and Professionals alike.

We have developed our programs so that when you complete the course, in addition to your qualifications, you will have the skills and knowledge to commence or further develop your career.

We offer a wide variety of English Language programs for students from every walk of life, along with extra-curricular activities and Professional Skills Development Programs. The curriculum in all programs emphasizes on practical application of skills and concepts, and is based on a student-centered approach to language instruction.

Innovative Professionals meet on a regular basis to review academic and curricular issues related to the programs. This ensures equivalent standard in both campuses. Our professional, organized programs are presented in a relaxed and friendly atmosphere. Each student receives personal attention from our qualified staff throughout their course of study.

At the end of every session, students are tested and evaluated. Progress reports are given to all students, who also receive a certificate of completion and student awards. Classroom activities focus on developing all four-language skills: reading, writing, listening and speaking with an emphasis on communication. Students often work in pairs or groups to increase their English comprehension through interactive activities. Real-life topics (work, society...) are explored each session providing opportunities for students to practice English in real-life situations both inside and outside the classroom. Homework varies from programme to programme.
