Quick facts

- Small, sleek and lightweight
- Colour touchscreen and full keyboard
- Text messaging with a chat-style view[1]
- Stores names, numbers, appointments, notes, to-do's
- Wireless email for accounts like Gmail, Yahoo! and many others[2]
- Visit sites like Facebook and Yahoo![2]
- Google Maps to find nearby spots and get directions[3]
- 1.3MP digital camera with video capture
- Pocket Tunes™ MP3 player
- Easy to use Palm OS® by ACCESS software

Your shortcut to happy hour

Find your friends with phone + text + email + web.
The Palm® Centro™ smartphone gives you voice, chat-style messaging, email and web[1], along with a colour touchscreen and even a full keyboard. (So you can say much more than you used to with your mobile phone.) All of this in a phone that's a whole lot smaller than you think, which means you can take Centro anywhere and keep up with friends in every way possible. Palm Centro. Let's go.

Text

Chat ▼ Eric Hancock (W)
Me: Hi Eric -- do you want to meet up for lunch tomorrow?
Eric Hancock: Sure...What sounds good to you?
Me: How about sushi on Murphy St.?
Eric Hancock: I'm there! 😊 See ya at 12?

QuickText   18 characters
Yep -- See you! :-)
